**I BELIEVE EDUCATION CHANGES EVERYTHING**

**What are your beliefs about Education?**

**How does your child know?**

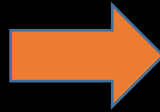

How's your maths?

$$6/12 \times 5/7 \times 33/52$$

$$= 990/4368$$

$$= 22\%$$

# Working together to get your child...

We can only succeed in partnership

Can you describe what you want in your family?

# What do parents want from school?

# Three major issues

- Social media – the epidemic within a pandemic
- Disconnection with institutions
- Reduction in the sense of belonging

# What can you do?

- Decide how to manage social media/gaming/phone and *grow* your approach as your child grows
- Create conditions to build resilience
- Make school matter, encourage your child to *belong*

## Moving on to secondary school

[Download this information in easy read](#)

The move from primary to secondary education can be stressful for any young person. It can be especially difficult for people with learning disabilities or people with special educational needs (SEN).
